- (2) The United States has moved to detain Ms. Liu pursuant to 18 U.S.C. § 3144 pending her appearance before the grand jury.
 - (3) There is an immigration detainer lodged against the witness.
- (4) Defendant has stipulated to detention, but reserves the right to contest her continued detention if there is a change in circumstances.
- (5) The material witness is viewed as a risk of nonappearance based on her unknown background information and lack of information about any ties to this community or to the Western District of Washington.
- (6) The Court finds that further detention is necessary to prevent a failure of justice. The material witness will be detained until her testimony can adequately be secured. It is therefore ORDERED:
 - (1) The material witness shall be detained pending the taking of her testimony and committed to the custody of the Attorney General for confinement in a correction facility separate, to the extent practicable, from persons awaiting or serving sentences, or being held in custody pending appeal;
 - (2) The material witness shall be afforded reasonable opportunity for private consultation with counsel;
 - (3) On order of a court of the United States or on request of an attorney for the government, the person in charge of the corrections facility in which material witness is confined shall deliver the material witness to a United States Marshal for the purpose of an appearance in connection with a court proceeding or for providing testimony in connection with a case pending in this Court; and
 - (4) The Clerk shall direct copies of this Order to counsel for the United States, counsel for the material witness, the United States Marshal, and the United States Pretrial Services Officer.
